

Toft Cricket Club Guidelines for use of Club Changing Rooms

The club has issued guidelines for changing as it affects junior members. These guidelines are shown below.

GUIDELINES FOR CLUB CHANGING

The club has applied the following guidelines which apply to Adults and Young People (under the age of 16) sharing changing facilities.

1. Players 10 and under must be supervised at all times with 2 adults of the same gender
2. Adults should try to change and shower at separate times to Young Players
3. If Adults and Young Players need to share a changing facility, the Club must have consent from the Parents that their child/children can share a changing room with adults in the club
4. If Young People need to share changing facilities with Adults, their Parents should be allowed to supervise them whilst they are changing

Please note:

- If Young people are uncomfortable changing or showering with Adults, no pressure should be placed on them to do so. Encourage them to do this at home.
